### Open your new Checking Account.

To open a CB Checking Account, visit our branch, go online to [www.citizensbankofchicago.com](http://www.citizensbankofchicago.com) or call us at 773.763.6200

### Move your transactions to your new CB account.

We help you change your direct deposit or payroll deduction to CB. Your personal banker will help you fill out the simple forms to give to your employer's payroll department. Switch your automatic withdrawals, too!

### We'll personally assist you in closing any accounts.

We can work with any financial institution to close your account.
